VINEYARDS

2023 Chenin Blanc

Betty's Vineyard

Estate Grown • St. Helena • Napa Valley

Tasting Notes:

The essence of a sunlit day unfolds with each sip of this delightful wine. Aromas of crisp green apple greet the nose, accompanied by a burst of invigorating zesty grapefruit. Delicate hints of honey offer a subtle sweetness, while nuances of chamomile add a floral elegance to the bouquet. On the palate, this wine reveals a harmonious and refreshing blend of flavors with a sophisticated layering. The vibrant green apple and lively grapefruit flavors are balanced by a refreshing acidity, creating a complex taste experience that evolves with every sip. Its texture is light and crisp, enhancing the wine's bright and uplifting character on the palate. The refreshing acidity enlivens the senses, while a lingering mineral-driven finish leaves behind traces of citrus and floral notes. This evokes memories of warm, carefree summer days.

Food Pairing:

Enjoy this wine chilled as a perfect companion to light summer salads, grilled seafood, or creamy cheeses. Its vibrant acidity and refreshing flavors make it an ideal choice for outdoor dining and relaxed gatherings.
